Our Katrina experience was:

very sad! We left our home without realizing how devastating this storm was going to be. We packed for two days. Our home took almost five feet of water, and of course we weren't in a flood zone so we had no flood insurance. We lost almost everything we owned. Our kids on back →

Write something special that you would like Santa to bring you or your family:

My kids lost their books & they love to read. They also lost all of their games & puzzles.

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

lost everything. We were able to save a few of our daughter's baby dolls that were up high, but thats it.

We have temporarily relocated to Mobile, AL, but plan on returning to Waveland after Christmas as long as our FEMA trailer shows up! We love Waveland! I (Lisa) have lived there since I was five - 24 years!! I always said I would raise my kids there - and I will.
